Jazz Listening Worksheet # _____

Listen to the entire set of songs three different times over the course of one week. Only listen to the songs once per day. Listen in a quiet place where you can focus on the recordings; this is an assignment, not background music.

Do the following as you listen:

1st time: Just listen. Be sure to focus on the music and not get distracted. You can close your eyes if you want! ☺

2nd time: Focus on one specific instrument during each song. It can be a different instrument for each song if you choose.

3rd time: Just listen. Be sure to focus on the music and not get distracted.
